

Silicone remover

Silikonentferner

D123

Shelf life: 36 months
Color: transparent
Pack: 5 l, 1 l

Properties

Silicone remover D123 is a mix of solvents specially made for cleaning and degreasing of the surface during the refinishing process.

Usage tips

Silicone remover D123 should be spread evenly on the surface and then removed with the dry cloth.

Attention! Avoid evaporation of the Silicone remover D123 from the surface to prevent the occurrence of coating defects.
